

23.03.2020 | MTM-UAS TRAINING COURSE NOW BOOKABLE AS A WEBINAR

The webinar will communicate all the information that is handled during the public training course. In addition to the theoretical part and practical presentations, the course integrates interactive, practice and self-learning phases. A chat room is available for people to ask questions during the individual sessions. The examination is then taken - online too.

The webinar will communicate all the information that is handled during the public training course. In addition to the theoretical part and practical presentations, the course integrates interactive, practice and self-learning phases. A chat room is available for people to ask questions during the individual sessions. The examination is then taken - online too. It is now possible to complete MTM-1 Base as an e-learning course and MTM-UAS as a webinar, so that two of the three training stages to become an MTM Practitioner can be successfully completed from your workplace or home office.

The first **MTM-UAS** training course as a **webinar** will be held using **Webex Meetings** on **20 - 30 April 2020**.

Participants need to be online at the following times:

Week 1

Mon-Thu 9 a.m.-11:30 a.m. and 1:30 p.m.-3:30 p.m.

Fri 9 a.m.-midday

Week 2

Mon-Wed 9 a.m.-11:30 a.m. and 1:30 p.m.-3:30 p.m.

Thu 9 a.m.-11:30 a.m.

Participants can use all the other times of the day as they wish.

More information:

You can register for the MTM-UAS webinar and for any other MTM training course via the booking portal at the MTM Academy or [HERE](#)

Course price: EUR 1,600

Language: German

Training documents will be made available in digital form and can be sent out in advance, if required. As an alternative, a TiCon test license can be made available. Webex guarantees to provide technical support; test usage can be agreed in advance.
