

01.08.2017 | E-MAS | DURATION: 01/08/2017 - 31/07/2020 (COMPLETED)

The research project E-Mas deals with the export of further education to the Mexican automotive industry and is funded by the German Federal Ministry of Education and Research. The core objective is to design and export innovative training opportunities for skilled workers in the field of vehicle and supplier part production.
