### MEMBERS BENEFIT IN MANY WAYS:

- Only company members may train their own MTM-Instructors – THE opportunity to save time and money.
- With your own MTM-Instructors you make MTM competence an integral part of your company – and your own decisions for new projects independent and flexible.
- You gain direct access to the MTM competence network, which provides you quickly and comprehensively with best-practice solutions for increased productivity – a facilitation of everyday work.
- Only staff members of company members are granted a personal log-in to access the IRAS data base. There you will find information on comprehensive work system design, best-practice examples, scientific articles, and current research results.

**Become a member of this powerful community!**

### MTM MEMBERSHIP SERVICE

MTM ASSOCIATION e. V. has more than 500 members, 250 of which are company members who represent more than 2.75 million employees. At the MTM Annual Meeting members and interested persons have the opportunity to exchange experiences. The annual General Meeting decides on the Statutes and, thus, the development and future activities of the association.

The main statutory tasks are:

- Consistent and technically correct qualification
- Research and development
- Promotion of a wide-spread application of MTM

Further public relations activities comprise meetings, conferences, own print media, technical papers, and an extensive exchange of experiences between the members.

The data protection regulations of the MTM Association e. V. [www.mtm.org/privacy](http://www.mtm.org/privacy) apply.
