

The background of the slide is a blue-tinted photograph of an industrial setting. On the left, a robotic arm is visible. On the right, a person's hands are shown holding a tablet computer, with one hand using a stylus to interact with the screen. The screen displays some technical diagrams or data. The overall scene suggests a focus on industrial automation and technology.

TiCon for Web – MTM Academy

The screenshot displays the MTM Academy website interface. At the top, there is a navigation bar with the MTM logo on the left and a series of links on the right: **TERMINÜBERSICHT**, a German flag, **★ 10.1 MB**, a shopping cart icon, a magnifying glass icon, and a user profile icon. Below this is a secondary navigation bar with links: **MEIN MTM**, **PARTNERBEREICH**, **LEHRBEREICH**, **MTM-AKADEMIE**, **SEMINARVERWALTUNG**, **DOWNLOADCENTER**, and **INFORMATIONEN** with a settings gear icon.

The main content area is titled **Download-Center » Online-Kurse » Testkurs**. It features a **TESTKURS** section with a sub-menu: **Inhalt**, **Einstellungen**, **Mitglieder**, **Lernfortschritt**, **Metadaten**, **Export**, **Rechte**, **Kursmitgliedschaft beenden**, and **Voransicht als Mitglied aktivieren**. Below this is a **Zeigen** button and a **Verwalten** button. To the right of the **TESTKURS** section is an **AKTIONEN** button.

Below the **TESTKURS** section is an **INHALT** section with three items: **Klebeband ablegen**, **TiCon Links**, and **Zum TiCon for Web**. To the right of the **INHALT** section is a **NEUES OBJEKT HINZUFÜGEN** button.

The bottom part of the screenshot shows a **Dashboard** section. It has a dark header with a **Dashboard** label, a search bar, and a **Search** button. Below the header is a **Dashboard** section with four cards: **Enter time value** (Enter a measured or estimated value.), **Create analysis** (Analyze a process with MTM.), **Create operation** (Summarize time values and analyses.), and **Create routing** (Summarize operations.).
